Mr. P Scholarship Fund,

This letter is to thank you again for awarding me one of the "Mr. P" scholarships in 2008 from Alcoa High School.

Before receiving the scholarship, my plan was to work full time after graduation in order to save the money required for tuition to attend Reuben-Allen College for cosmetology. However, receiving the "Mr. P" scholarship enabled me to enroll right after graduation from Alcoa High School. I'm so excited to report that I've recently completed the course (with great grades) and passed my State Boards. Thanks to the "Mr. P" scholarship, I am now a licensed cosmetologist and have a full-time position as a hair stylist at a fantastic salon in Maryville, Bebe's.

As I told my family recently, I love where I am and I love what I'm doing. Thank you so much for giving me the opportunity and the funds to obtain my goal.

Sincerely,

Courtney Hodge
